**BUDDING FLORENCE**

# Principal's Desk

**Shri N.HARI PRASAD**

**It is with the sense of pride and joy that we bring out a news letter 2022-23. The Vidyalaya is teeming with activities taken up by the Primary students. The effect of little artists, writers, melodious singers, graceful dancers, expressive actors need to be showcased. We would like to give the glimpse of all the activities of the Primary section.**

**We aim to empower our children in such a manner that they act as representatives of a meaningful and value-based society. A joyful experimental learning system is followed, where in each child is encouraged to participate whole heartedly.**

**The team of endowed teachers provide a stimulating learning environment where the children are nurtured through their own stages of self-discovery, enhancement of the skills they need along with self-esteem and positive feelings, thus educating the children for their life. This News letter shares their achievements in every field. Our effort is to bring out their potentials in order to achieve their aspirations. I am extremely proud of my teachers and students as they enjoy together as a family.**

**My sincere thanks to all dedicated staff and my heartiest congratulation to all my wonderful students who make our lives more challenging and meaningful as we empower them out into the world and make their mark and contribute effectively to the society in which they live.**

**I congratulate the editorial board, all the teachers and my beloved students for their contribution in bringing out the edition of this News letter.**

**Our aim is to educate our students to face the challenges of life. Our education aims at inculcating in students, respect for each other as individuals who have the right to be different. We encourage students to participate in variety of stage performance activities, to instill self confidence in them. To enhance their learning ability different tools and techniques are adopted by our esteemed team of primary teachers. Our aim is to help the child in his all round development and make him a good global citizen. As an educational institution of high calibre, it is necessary for the school not only to engender academic excellence amongst students but also to ensure all round personality development, so that they grow up to be good, useful and responsible citizens.**
